255129 E2000/APC to E2000/APC Fiber Cable, SM, 0.5m

Product Images

Short Description

- E2000/APC to E2000/APC connectors
- Duplex, Single mode fiber optic cable
- Core diameter: 9/125µm
- Low Smoke Zero Halogen (LSZH/LSOH)
- Cable jacket color: Yellow

Description

The **E2000/APC to E2000/APC Fiber Cable, SM** is a premium single-mode fiber optic cable designed for high-precision, long-distance data transmission. Equipped with E2000/APC connectors on both ends, it offers exceptionally low insertion loss and superior return loss performance, ensuring optimal signal stability and minimal reflection. The angled physical contact (APC) polish provides outstanding optical

performance, ideal for demanding applications such as telecommunications, data centers, and industrial networks. Constructed with robust, high-quality materials, this cable guarantees long-term durability and consistent reliability—making it the perfect solution for environments requiring precise, high-speed optical connectivity.

Additional Information

Fiber cable type.	OS2
Cable Jacket material.	LSZH
Approval and Compliance.	RoHS, REACH
Package Contents.	Fiber cable 0.5m x 1
Color.	Yellow
Model Number.	255129
Cable Length.	0.5m
Dimensions (W x D x H).	9 x 50.5 x 500 mm
Product weight (kg).	0.013
